

Norma Johnson Woy

September 2, 1932 - October 9, 2020

Norma Johnson Woy, age 88, formerly of Oak Ridge, Tennessee, died peacefully on October 9, 2020, at Seasons Hospice after complications from a fall. Norma was the daughter of Loy and Aline Johnson and was born September 2, 1932, in Spartanburg, SC. She was preceded in death by her husband, Edgar A. Woy, daughter, Meg Woy Beers, and brothers Eden Johnson and Yates Johnson. She is survived by her daughter Beth Callahan and son-in-law Jack Callahan of Suwanee, Georgia; granddaughter Quinn Callahan Wicks (husband Bill) currently stationed in Vicenza, Italy; grandson John Callahan (wife Mary) of South Windsor, Connecticut; six great-grandchildren; Tommy, Julie, and Devon Wicks and Margaret, Sean, and Claire Callahan; brother-in-law Russell Woy (wife Janet), sisters-in-law Alice Johnson, Martha Johnson, and Anna Johnson Soderburg as well as many nieces, nephews, and extended family.

Norma was a 1954 graduate of Furman University. She met her husband Ed during her senior year, and they married in July 1954. They were stationed for two years at a USAF base near Nagoya, Japan. In 1956, they moved to Oak Ridge, Tennessee where they made their home for the next fifty-two years together. Norma was an elementary school teacher in Oak Ridge City Schools for thirty years and retired in 1994. She loved her career at Linden Elementary School and enjoyed working with the staff and students there. In addition, Norma enjoyed music throughout her life. She played the piano and violin,

sang in church choirs, and was a devoted patron of the Oak Ridge Civic Music Association.

Norma and Ed were involved in numerous church and Oak Ridge civic activities including Girl Scouts, Girls' Club, ORCMA, AAUW, Delta Kappa Gamma, Crown Monarch Auxiliary, Oak Ridge Institute for Continued Learning (ORICLE), and the League of Women Voters. Norma was active in all of these organizations and also enjoyed playing bridge with her dear Oak Ridge friends. She and Ed enjoyed many years of domestic and international travel before and during their retirement years as well.

Norma moved from Oak Ridge to Georgia in 2018 to live closer to her daughter. The family would like to thank the staff of Wickshire South Lee Assisted Living in Buford, Georgia for their compassion and care over the past two and a half years.

Since travel is difficult at this time, a private burial at Honey Creek Woodlands in Conyers, Georgia, will be planned with the family in the future.

The family asks that any memorials be made in Norma's memory to the Oak Ridge Civic Music Association 118 E. Division Road, Oak Ridge, TN 37830 or to the charity of the donor's choice.

“ My name is Bill Goldsmith and Mrs. Woy was my 4th grade teacher at Linden Elementary School back in 1979-1980. I was just thinking about her and the impact she, and many other wonderful Oak Ridge teachers had on me as I am now in my 20th year of teaching high school English just outside of Washington, D.C. She showed a true, deep commitment to all of her students, and I will never forget her. My deepest condolences go out to her friends and family in this time of loss.

“ Dear Beth and family,
Bob and I send you our deepest sympathy. We loved your mom. She was a model teacher for me at Linden when I was new to the classroom (and for many years after:) That first year, our son, William, was in her class. Each night I would look in his backpack to see what she had taught so I could teach it the next day. She knew just how to challenge children and let them have fun with competition—especially in math. No one on the lower level could go up the stairs faster than she! Your mom also helped with Bob’s campaign for the school board—he really appreciated that. One of her special qualities that I admired was the way she could be completely honest while being kind.

She loved the Lord 🙏

We send love and prayers to all of you 💖

“ Beth, my deepest condolences to you and all your family. Norma was such a wonderful person and meant so much to me. She was very supportive when I first became librarian at Linden, and continued to encourage me when I retired and started doing some writing. We also took some trips together at ORICL. She was a courageous person and always had a smile to give. Remembered with love.

“ Dear Beth,

On behalf of my husband Bill and I, please accept our sincere sympathy and caring thoughts.

Norma was a dear friend and bridge buddy for many years. She taught our son Greg at Linden and perhaps Lisa when she and June Smitherman team taught. We were both long time supporter of Girls Inc., formerly The Girls Club, as members of Monarch. We enjoyed many years in the same bridge club, and even after her stroke she continued to play, even though it was a challenge for her.

She was a lovely Southern lady and a benefactor of many civic organizations. She weathered personal tragedy and illness with bravery and optimism. She cherished her family and enjoyed sharing activities of the grandchildren, especially.

Norma leaves us with many fond memories.

“ Norma Woy was a special friend. We enjoyed her friendship for 30 years in Oak Ridge and continued that friendship after she moved to Georgia. She and Ed were a vital part of our church and community and we will always remember them with gratitude.
