“ *Kathy, my thoughts and prayers are with you and family. I missed each of you after you moved to Ivy Creek. I always looked forward to seeing you both each Sunday and talking with you. I know how much he meant to you and how happy you were. Prayers.*

“ *There are many things that will be missed about Norman, above all I think at work it will be his sense of humor. From ringing his little bell at the technicians to the crazy things he would write on the parts post-it notes you never knew when you would crack a smile or laugh out loud with him around. Good times for sure.*
