“ *Diane, I can't find the words to tell you how sorry I am about your precious mother passing. I know you are going to miss you so very much. She was such a huge part of your life and you loved you beyond words. I am praying with all my heart for you and all of the family. May the peace of God be with you and give you comfort. I am so sorry I won't be able to come to the funeral. My son-in-law just has arm and hand surgery and my brother, Bobby, just had a stent put in his left artery in his throat to keep from having a stroke. I will do my best to see you soon. I love you with all my heart!*

“ *My sincere condolences to your family at this difficult time. The loss of a loved one is never easy. Although time may go on, the pain of such a loss never leaves us. I do hope the following scriptures found in God's Word and the attached bible-based sources prove to be a true source of comfort and strength at this time; bringing comfort to your minds and hearts. (Philippians 4:6-7; 2 Corinthians 1:2-5)*
