“ *Olan and Molly were an amazing and beautiful example of a loving marriage! I was there the night before Olan left this earth and even though I didn't know him well I came to support Molly. As I left his room I gently touched the bottom of his left footy. This small gesture hasn't left my memory and I pray for his soul every day at mass and for continued peace and consolation for his soulmate and his wife Molly.*

“ *Olan and I worked together through my employer, Harben, Hartley & Hawkins Law Firm. He was one of the good guys and there are very few good guys left.*

He will be missed.

“ Olan was a kind man and the ideal neighbor. From the first day Lisa and I moved next to Olan and Molly, we knew we had friends we could trust and count on if needed. We have always appreciated that fact. I also know Olan was highly respected for his work at GSBA. Our thoughts and prayers are with Molly and the entire family. Olan will be missed.
