“ Anybody that knew Olivia, knew she'd tell you "like it is" in a heartbeat. There was no holding back for her. A lifelong family friend, I not only consider her a DEAR friend but a FAMILY member. There is no doubt in my mind that she is in a much better place, and I'm sure that she's already settled right on in..... and will be keeping everyone on the straight and narrow in heaven. She was rare but a good one, and she will be GREATLY missed by those who knew and loved her. I love you Olivia ~ THANK YOU for being a part of my life, I will truly miss our conversations and visits.
