“ *The service celebrating Olwen's life was a wonderful and moving tribute to her enduring faith as well as her love for and devotion to family and friends.*

I was so grateful to be a friend for several decades and what most impressed me about Olwen was her authentic spirit. She embraced life in an optimistic and sincere way, without pretense. As co-workers, I always felt that things would work out fine with Olwen in my corner. What a gift to offer to others! This trait of expecting the best out of life and overcoming difficult times was eloquently evoked throughout the service.

Olwen has left a beautiful and lasting legacy and example for all the lives she graced. My heartfelt prayers go out to her family in particular but also friends that are grieving her loss but will always celebrate her life.

May God's grace, your faith, and wonderful memories of Olwen provide consolation, assurance, and joy always. And may we strive to inspire others as she so inspired us. Sincerely, Tim
