“ *Mark, our thoughts and prayers go out to you and your family. We cherish the memories of when we were living in Georgia and our great times spent together! Our memories of the days working with Pam at CIGNA, evenings and weekends with you guys while watching sports or playing darts and watching our crazy gang of friends do what we did so well will never be forgotten! There was a lot of love and respect for each other then, and it still remains. We enjoyed having her visit with us in CT during her trips to the home office. She made a positive impact on the daily life of all that she worked with and was a friend to everyone she met. We will miss her dearly.*

“ I’m so very sorry on Pam’s passing. She was always a hoot! My exhusband Frank Miroballi and I sure appreciated her and Mark as they stood up for us and helped out a lot. Flowers were from Elsie. I loved when they all lived in Blue Island and was heartbroken when she moved to GA. R.I.P. Pam I will always love you ❤️
