“ *If only the whole world knew this woman the sweetest woman i ever knew my grandmom went through alot of good times and tuff times but she always no matter what cared for others so much she use to come pick us up her grandbabies and take us to come see her or go do things she took care of us supported us after i graduated i tried to return the favor by watching over her and taking care of her. She deserved everything and more for what she did for us i will never forget you nana youll always have a very valued place in my heart*
