“*Kim, your mother was one of the most giving humans I've ever known. I'll never forget all the things she did for our little group of 5 (you Amie, Rosanna, Marti and me) in high school. Spending the night so many weekends at your house is such a wonderful memory for me. Both your parents were just so kind and giving to us all and as I get older I feel the bigness of their kindness even more. Love to you and your family as you mourn and celebrate a life well lived.*
