“ *Mrs. Copper was always so kind to me when I came over to swim in their pool growing up or whenever our paths crossed. I remember all of the family baptismal garments framed in their house. Her relationship with her savior was important to her. Her witness reminds me of the text I heard in church today: "God will repay each person according to what they have done. To those who by persistence in doing good seek glory, honor and immortality, he will give eternal life." - Romans 2:6-7*

“ Our deepest sympathy for Bob and his wonderful family. Pat touched out family in many ways with her generous nature, incredible thoughtfulness, and with the help of Bob, raising the kindest person, Susan Kreamer, that we have ever met. Pat enriched the lives of her children and grandchildren with loving traditions. One example of many, was her hand cross stitched ornaments made for each grandchild every year for which I am sure all these family members will cherish forever. She made a beautiful pillow for our Daughter's wedding last year for which this lovely and wonderful gesture will always be a keepsake to the newlyweds. Our deepest thoughts and prayers are with this beautiful family. We are so comforted that Pat is in heaven and will forever be a glorious angel for all that knew her. With much love, Melinda, Gary, & Briggs Fish and Carly & Eric Wittman.
