“ *Mom, we love you so much, you are the best Mom. We have a lot of memories, but some of the best times were when we went to the beach and our camping trips to the Georgia State Parks. We always had a good time. You were also, such a great cook, I (Danny) especially loved the Birthday Devil's food cake with sticky icing, you made me every year. And your Roast beef with carrots and potatoes, which was my favorite meal. You made sure to be at all of our special occasions, our Graduations and helped with mine and Debra's wedding, you took care of our first born, when Debra had to go back to work. To sum it up you were a wonderful, caring Mom. We love you, Mom! Danny, Debra and Bobby Jr. ❤️*
