“ *Dear Pat,
You were such a good friend and a great listener to me after my husband passed away. We had similar stories so we had plenty to talk about. I also enjoyed working with you...we had a great time and you were also so knowledgeable about things I knew nothing about. You had more respect for me than most there, and I for you. Finally, your gift to me and my son of three Magic games on special occasions is something I will never forget. Such a giving soul. I missed you when I left Apex and I miss you now that you've left us on Earth. Say Hello to my husband if you see him, and I am quite happy to realize you are reunited with your beloved daughter and your brother.
Fly high, Pat. Miss you. Cheryl Barnes*

“ Aunt Pat, You will be truly missed by everyone. I was just thinking about you about 2 weeks ago. I was asking my mom if anyone ever hears from you. I know we never kept in contact but know that we LOVED & thought about you often by us up here in NY. It saddens me that you are gone on to be with our lord but I know that you are now with Christine again and that you are very happy. I have missed not seeing you thru the years. God Bless you Aunt Pat and your Family are in my Prayers at this time of sorrow. I know someday we will all see each other again!!

Love Always,
