“ *Patsy and I were neighbors for 13 years. We told each other our secrets not shared with anyone else. We loved each other very much and were the very closest friends. I will miss her but I know she is where she wanted to be, back with the love of her life, George. May you Rest In Peace my friend!*

“ *I loved George and Patsy❤️They were the sweetest kindest couple! I cut their hair for many years and always loved seeing them come through the door with those smiling faces. They were truly an inspiration to many❤️I know the whole family will miss them so much but Patsy is happy with George again. 🙏🙏 I'm Nan.*

“ *I still can't believe I never met her in person, but she still impacted my life. Thanks Aunt Patsy for all the memories Gail got to tell me about you.*

“ Our Aunt Patsy was the youngest of seven children. She was extra special, kind, humble and loved from deep within her heart. Our family is extremely close and it is hard to choose one favorite memory but I do have one. Aunt Patsy directed my wedding. She wanted everything to be perfect and it pretty much was until time for us to leave the church. My new brother-in-law locked a huge chain with a cow bell on it around my husband neck. Well it only took a matter of minutes for my Aunt Patsy to find him practically picking him up by his neck and put her hand out saying, *The Key!*” He quickly handed it over and she unlocked the chain. I will always remember that look on her face.

She will always be in my heart and I know each one of her siblings were waiting on her along with our Uncle George, the love of her life.
