“ Reggie, Daniel and Diana,
When Patsy told me the cancer had come back, she said all she wanted was to live long enough to see her grandchildren. God answered her prayer and the joy that showed on her face was priceless.
I know she is enjoying her new body and the mansion Jesus prepared for her.
Please make sure those precious babies know how much she loved them.

“ My heart is broken at the loss of this beautiful woman who was a friend for almost sixty years. To her much loved family, you were blessed to have her as a true light in this world who never gave up her fight to stay with you as long as her body would allow. I will always cherish the memories I have of growing up with her. We lost each other for a time , but she was always in my heart,and reconnecting with her three years ago was a gift from God. I know Patsy is rejoicing with her loved ones in heaven and the Lord has gained a very special angel.
