“ I just discovered this obituary today. I am so sad. Paul and I were roommates at North Georgia Technical School in the late 1960s. He was a great guy and a good friend for many years. I had not heard from him in a long time. Although we had not been in contact for some time, I do truly miss him and am so very sad today.

“ So sorry to hear about Paul. My mother in law lives at the Personal Care home he was staying in. It was always such a treat to see and talk with him, when I would visit her. The last conversation I had with him, he was writing a book. He let me read the first 3 pages he had written. He was working very hard on it. Such a nice guy. So sorry to hear of his passing.

“ Matthew, Michael, Benjamin, Rebecca, and Joanna, I am so sorry to hear about Uncle Paul. But, I know he's in a better place and no more suffering! I'm so glad Mother and I got to see him last month and spend some time with him. He told me some great stories about traveling to South America, playing basketball and lots about you kids and his grandkids. He loved you all very much. My family's prayers are with you all and your Mother and your family! Love Cousin Joey.
