“ I am so sorry to hear of the passing of PJ. Deep condolences to all PJ's family members and friends. I knew PJ growing up in Framingham Mass. - and am a close friend of PJ's brother Pete. PJ was a great warm-hearted caring person whose spirit will live on in those that knew him. A really good guy.

This has been an incredibly difficult year for the Sullivan family and I pray that God will give them the strength to deal with all the sorrow that has come their way. God Bless You.

“ Life is not measured by the number of breath we take but by moments that took our breath away. When I look back at PJ's life I reckon he has many of such moments. PJ you're indeed a Blessing to my family and I... and to all of us. And I will Miss you dearly. Rest In Peace.

“ We were deeply saddened to hear of PJ's passing. He was one of a kind and will always be remembered as a man of integrity and compassion. We never knew when he would show up on 3rd shift at Amwiler to chat and help us make a few lenses. Delivering the shift reports and then hearing him yell Jesus Christ Mother of Mary what happened? PJ gave many of us the opportunity to move up within the organization. He will be missed by his CIBA family. Rest in peace until we meet again.

“ Dear Sullivan Family:
I know this is a difficult time for you, please accept my sincere condolences. "Blessed be the God and the Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort." (2 Corinthians 1:3)
"Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment." (John 5:28, 29)
I look forward to the day when all of us will see our dear loved ones again!
Again, my condolences,
Shelly R.

“ I worked with P.J. many years ago at CIBA VISION, and I remember him fondly! My CIBA career spanned 13 years, most of that time spent as Administrative support for the Manufacturing group. I left in 1998 and moved away from Georgia. I returned to the Atlanta area in 2002. I have not had much contact with any former CIBA employees since my return; therefore, I did not realize P.J. had been ill. My thoughts and prayers go out to his family and friends at this very difficult time. Rest in peace, P.J. Jenna Kopp

“ Years spent making memories at West Point Lake. Cheering on the Braves with you during the early 90's, Carnival rides that you forced me to ride with you and then regretted doing so, to taking a bunch of screaming girls to The New Kids on the Block concert. My childhood would not have been complete without you, Sully. You will forever be missed and loved by so many. Rest in Peace until we meet again.

“ New to Alcon on 5 Aug 2013, did not know anyone at this time. Sitting alone in the cafeteria and then I hear this man with a deep voice say "Are you new to the company". After our initial conversation he took me under his wing and gave me all the insight needed for me to be successful. One thing I learned from PJ was that you never had to wonder what he felt about you. Truly a man of great character. I will definitely miss our golf time together. I never got a chance to beat one round. May you rest in peace my friend. To the family...May God give you the strength in your time of need. My family will continue to pray for each of you.
