“ *Pearl was always so much fun when we were growing up!! We listened to old records and danced with her all the time! Sneaking into the cookies and making fudge! She always had our backs as kids! Prayers for all of our family as we have lost so many- but oh the reunion in heaven must be so sweet!!*

“ *I figured I had time to meet you. You remind me so much of my grandma Betty and I've only ever heard of what an amazing woman you were; From EVERYONE. I suppose there's a lesson not to wait to be learned, not to take time for granted because everything can change in an instant. Fly high Aunt Pearl and big my daddy's neck for me when you see him please.*
