“ Met Ms. Peggy at the ballfields. The concessions would not have been the same without her. It has been years since my kids played at those fields but one of the main memories I have of being there is working the concession stand with her. Prayers for the family.

“ There are people on this earth that we are grateful to know, and even more blessed to call a friend. Peggy and I met at the ball fields of the American Legion, where she taught me the ends and outs of working the concession stand. While some dreaded that duty, I loved those times with her. We shared a lot of conversations, some gossip here and there, and a lot of laughs and love. What a precious friend. My love and sympathy to Jerry and her family. God bless you all. Fredia
