“ *My heart has been deeply touched by the messages you have left. I recognize most names on here and I know your connection to my family. Each of you have impacted my family in some way. It is evident my mother was very loved by many and she touched more lives than we can count. We miss her very much but we are thankful her body and her mind are healed and she is enjoying the rewards her Savior promised her. From: Connie - Peggy Terry's daughter*

“ *I taught at Suwanee Elementary School for 14 years with Peggy. She was one of the nicest and most competent and lovely people I ever worked with in all of my 40 years in education. I have thought about her often since I left Suwanee for Cherokee County in 1986 and have missed her very much. May her memory be eternal.*

“ Dear Family,

May Jehovah God comfort you during this time of loss. Though there may be little that can be said or done to ease your pain, may you find comfort in knowing that many care and sympathize with your sadness. Always know that Jehovah God is with you to strengthen and guide you. May your trust in his promise of a resurrection bring you peace. - Acts 24:15

“ When our enemy death strikes, it can leave us with an array of emotions: anger, sadness, helplessness, even hopeless. But how wonderful it is to know that our Loving God, Jehovah, promises to soon destroy this great enemy of ours and reunite us again with our loved ones (Isaiah 25:8; 26:19). May these thrilling promises comfort you and your family in the days ahead.

“ My heartfelt sympathy goes out to each of you. I was a neighbor to Peggy and family for over 35 years. I consider her a very close friend. I talked with her many evenings at her house. She was such a dear sweet caring lady. She loved everyone. She called me about 2 weeks recently just before she went to Duluth. We had a good long talk. We would often talk on the phone after she went to assisted living. She is missed by everyone who she came in contact with. Especially her smile and her "yes". Your family is in my prayers.
