“ *Ron and I both visited Peggy for many years as our only and best therapist. We took her to Myrtle Beach as a friend and she helped with our golf aches and pains! She and I always remembered each others b'days. I teased since she was a year and 3 days my senior! What a kind and fun person. RIP dear friend. I'll see you there!*

“ *Phil and family , I am so saddened to hear of Peggy's passing . She was among the sweetest , kindest people I have ever known . I admired her beyond words. We tried twice to have a 50th high school class reunion but Covid ruined our plans. I regret not being able to see her in the last few years. Peggy's spirit gave to those of us who grew up with her the loving gifts of intelligence , kindness and respect for everyone. I will always treasure our memories. Our prayers and condolences to all of you,*
