

Peter Brennan

April 21, 1937 - December 14, 2020

Peter Brennan, 83, of Hoschton, GA, passed away on December 14, 2020 with family by his side. He died after a one-year battle with mesothelioma and two continuous days of watching Hallmark channel Christmas movies, never knowing where one ended and a new one began. He retired to his bedroom Monday evening and while watching Two and a Half Men, peacefully passed away (there is more to that story, but the author of this obit was told it couldn't be published). He always had a great sense of humor, which was evident until his final breath.

Pete was born on April 21, 1937 to Frank and Claire Brennan in Wakefield, England. In the late 1960's, he moved his wife, Doreen, and three daughters to Washington state to work for Boeing. He lived in the Seattle area until July of 2018, when he moved to Georgia to be closer to his daughters and grandchildren.

He was a talented pianist and singer, spending years playing in a nightclub band when he was in England. He was also an avid golfer until the last few years and a great soccer player in his younger days, playing recreationally until he was in his 50's.

Pete was preceded in death by his parents and two wives, Doreen (m. 1959 – 1984) and Ann (m. 1985 – 2018). He is survived by his three daughters, Bev (Joe) Singh, Flowery Branch, GA - Debbie (Steve) Dougan, Flowery Branch, GA - Kate (Rich) Woyce, Suwanee, GA - his grandchildren Alexandra (Chad) Nixon, Buford, GA, Rick Jeffries, Stafford, VA and his two great grandchildren,

Parker & Claire Nixon, Buford, GA. He also leaves behind his beloved dog, Kate (the telltale sign of who his favorite daughter was).

We will miss you dad, but forever thankful for the amazing memories we will always cherish, like when we were young, and you were trying to show us the “right” way to dive thru a Hula Hoop and ended up in the emergency room with a dislocated shoulder.....a classic “dad” moment! We are so grateful for these past 2 1/2 years with you close by again. Love you dad.... thanks for everything.

Per his wishes, there will be no formal service, but we will have a celebration of life at a later time.

In lieu of flowers, please consider making a donation to your local Humane Society.

“ I first met Pete and his family in 1969 after emigrating from the UK following a job offer from the Boeing Commercial Airplane Company. We both happened to buy a home in the same neighborhood in Renton, WA. Our families were found to have much in common and spent time celebrating holidays and Christmas together while watching our young children grow up.

Pete and I formed a golf foursome with a couple of other Boeing employees and we would go out to play in all sorts of crazy weather! We happened to be on a local golf course on May 18, 1980 when Mount St Helen's erupted! We all looked forward to our weekends together!!

Pete was a great and loyal friend who helped us move house several times over the years. He was always so much fun to spend time with.

Elaine and I send our deepest condolences to Bev, Deb and Kate and their extended families. Thanks for being a terrific friend, Pete. Rest in Peace - you will be missed.

“ We will remember Peter’s great sense of humour and his generous spirit. He had the ability to make you feel as though he had just seen you yesterday, when in fact it had been years ago. Music was a life long love and that is a memory we will all share of him. As his long distance family here in the UK, it brings us comfort to know he spent his last few years living close to Bev, Debbie, Kate and their families. It was evident how much he enjoyed his time with you all and particularly his great grandchildren. We will miss his visits to the UK and seeing him at home in Georgia. We send our love to you all, and know that you are in our thoughts.
With good wishes from all your family here in the UK.

“ As long time neighbors of Pete in Seattle, we were so saddened to hear this. However we are so thankful he could rejoin all of his family in Georgia and be with you. Pete will always be remembered for his kindness, his friendliness, his love of animals, and good humor. We were lucky to know him. He was a good man!
