“ *Hi Everyone, Its September 28 and Wendy & I have just found out about the passing of Peter via google - Many thanks for still having his service on Utube & other sites. We live in Sydney Australia and have limited communication with Peter's family, however, we will now try and pass on our belated condolences.*

*Peter & I went to high school together and we were very close until later years where we drifted apart. Both Wendy & I have alot of very fond early history with Peter & his Australian family. We both were 'best men' at each other's weddings and some years back I was lucky enough to meet the lovely Margaret (Suzie as I knew her) in Atlanta.*

*Although we had some knowledge of his failing health, its very much a shock to learn of his death & feel a deep sad loss for such a lovely person.*

*Our thoughts & prayers go out to his family & especially his children & Margaret.*

*With much love, Lance & Wendy*

“ Dear Sue,

*I woke up the morning after Peter died with a word in my mind and I knew it was about Peter. The word was "Gusto." Peter lived his life and approached everything with gusto--childlike enthusiasm, appreciation for all the little things, and an enormous passion for people and for living. He filled the room and everyone's hearts. I know you will miss him everyday. You were his biggest joy. I am so glad to have been his "cousin via marriage."*

*Love you,  
Sandy*

“ Peter and Margaret have spent 100s to 1000s of hours volunteering to help kids. They attended parent nights with kids who did not have a parent who was able to attend. They tutored kids. They mentored students. Peter was trained in Rainbows, a program to train a person in how to help kids with a loss through death, divorce, and other types of loss. He worked with a low income school to encourage and help both students and teachers. Most of the kids and people that Peter helped will not be able to thank or repay him. Those kids and adults looked up to you, counted on you, and loved you!!!! Most people do not have a clue about the numerous people that Peter poured his heart out to and offered a helping hand, but now Peter is with God who we believe will bless him for eternity.

Peter and Margaret were constantly helping others. Quietly and humbly they would go visiting nursing homes, hospitals, and individuals that most other people forgot about demonstrating the love of God and encouraging others. When it comes to chipping in and helping out, they had the "Just Do It!" mentality.

Fifth grade has always been a special time that both kids and parents look forward to at our church because Peter and Margaret Krams are the Bible School teachers. They put 200% into the Bible Class lessons. They really encourage the kids to read and study the Bible. Peter and Margaret love the kids and the kids love them. They go all out to make the kids feel special and encourage them to implement what they have learned from the Word of God. The fifth grade Bible Class is another amazing example of Peter and Margaret showing their love for God and spending their personal money and time on others.

Peter was an extraordinary man with numerous talents who blessed those who joined him at some point on his life journey. He was articulate, charming, generous, and fun. Peter was a great Christian and a wonderful example. Our family has been blessed to know Peter!!! We will miss him terribly. We love Mr. Peter and Mrs. Margaret!!!

“*Peter and Margaret are our awesome Bible School teachers and friends. They always wanted you to ask questions and listened to what you had to say. They made learning more about God meaningful. We could tell they put a tremendous amount of time and effort into their lessons. We learned a lot in their class. They were inspiring and fun. Peter and Margaret hosted numerous church gatherings and parties to welcome other kids to our church and to our class and we always had a great time. There is always a weekly gathering of people including us waiting in line at Peter and Margaret's door on Sunday after church with kids and teenagers staying late after church to come back to Peter's and Margaret's classroom to say "Hi!" and visit. All of the kids looked forward to special events, weekly Bible classes, and spending time just visiting with Peter and Margaret. Peter and Margaret are great examples of people who love God and love other people. We love Mr. Peter and Ms. Margaret so much! Mr. Peter will always be in our hearts and minds! We will miss Mr. Peter!*

“ Unfortunately, I hadn't seen Peter in a few years, but the last time I did, it was very meaningful for me. At that time, I had just lost someone very close to me, and I was hurting. Santa Peter walked into the house in full dress and took pictures with all of us and had such great ideas on how to pose. lol He gave me a set of bells that was cut from the "sleigh" and told me that he'd be with me wherever I went now. Sue, I love you, and I hurt for you. Peter was a wonderful, loving, Christian man, and I know the Lord was caring for him here on Earth, and now is in Heaven.

Love, (cousin) Caryn

“ *My Dearest Sister,  
I am so sad that Peter is no longer with us. I know that he is in a much better place, at rest, with no more suffering, and no more pain! We will all miss him so much! He was such a wonderful person, with great advice, wisdom, and love. Words seem so trivial at a time like this. I feel the loss so deep in my heart, and I can't imagine how heart- broken you are! I think of you every day, and pray that God will wrap his loving arms around you and hold you tight. I love you dearly! I look forward to seeing you soon.

“ *Aunt Sue,  
I don't really know the right words to say, but know that I love you so very much. Uncle Peter was a positive father figure for me and always made me feel like a princess. My favorite memories of him are when we would sing "Waltzing Matilda" and "King Caractus."  
You are in my thoughts and prayers.  
With love,
