“ Pete was one of my "brother rats" (classmate) and fellow EE major at VMI. It's a small school and smaller group of EE majors. Consequently I spent a good deal of time with Pete during our 4 years together, now 50 years ago. We missed him at our recent reunion and had looked forward to reconnecting the bonds that tie us brother rats together. Alas that opportunity has been taken away from us. While sad, his passing reminds me not to waste a moment further to connect with people who matter to you.

“ Sandy, my dear friend, I'm so sad for you and your family. If I only could take away your sadness, I would, I fondly remember both you Sandy, and Peteris from high school. And my wife Stefania "Steffie" also remembers Peteris from nearly seven years ago, when we visited your lovely home and enjoyed a wonderful chat with Peteris, You were in Nashville that day. Peteris recalled his early years in Latvia, his experiences there. He also treated us with a slice of his mother's delicious Latvian bread. Please, stay in touch.

“ I spent 4 years with Pete in Electrical Engineering classes at VMI and, in addition, the last 2 with him as a Cadet Waiter. It was a distinct privilege to have known him and I'm quite proud to refer to him as my "Brother Rat". May he rest in peace, knowing that his many friends and family will miss him more than words can ever begin to express.
