“ *While I did not personally know you, the family, I knew Brother Phil very well and really thought a great deal of him and his dedication to our fraternity. I am very sorry I could not come meet you all Friday or Saturday. I had a close friend here in Ellijay that had visitation Friday night and the funeral was Saturday. Please know that my prayers are with you in this terrible time. I will forever remember Phil as a super nice individual who always preferred his brothers before himself!*

“ Just to send my condolences and prayers to Phil's family and friends. He was a quiet gentleman who will be greatly missed at the office and as a personal friend. I used to love to go up and just talk with him, and I always felt better after I left. He will be dearly missed and there will be a void where he once stood. The Lord needed another angel to add even more light to heaven.

“ Brother Phil was a good friend and Brother from the time we first met some 36 years ago. He was the same man the last time I saw him as he was the first time-----quiet, friendly, very knowlegable,always very willing to help in any way he could,and was always without ego. I don't remember him ever saying anything bad about anyone. I am glad I had the opportunity to call Brother Phil my friend and Brother and I will miss him. Floyd Edmondson, Ellijay, Georgia.
