“ *You've always been able to make me see the light at the end of the tunnel, find the positive in any situation. You were so kind to me and the kids from the moment we met. Thank you for being so good to us. I'm gonna miss you.*

“ Philip, you are one of my oldest and dearest friends! 30 years of friendship, and I wouldn't trade it for anything except longer time together. I love you and will never forget you and our memories. Until we meet again, RIP!

“ We will miss you but I know you are in the hands of God now and had to be so happy when you got to see your Dad again. I know you are an angel who will watch over us from above but it won't be the same without you. We love you very much. Until we meet again, love you always and forever.
