“ *It's been years since I have seen Phil and the news of his passing brings back memories of the times we did share... be it playing basketball on the blacktop at Old Suwannee or out on visitations with First Baptist Buford...Phil you were a cool dude and it would have been nice to have seen you again to just say hi, catch up, and see what music you were into-as you always had suggestions for me-as a father now I mourn for your daughter that she will be missing out on growing up with you... rest in peace, sir, and all my love and condolences to the family you leave behind.*
