May 27, 2025

Phuc "Peter" Nguyen and Sonia Dinh-Nguyen, beloved parents and partners, passed away on May 27th, 2025. The Georgia couple died of drowning in Destin, Florida. Though their tragic departure is permanent, so are the wonderful memories of them, forever in our hearts.

Peter was born on August 3rd, 1967. He had a career in information technology. When he wasn't working, or reading textbooks regarding the integral technological skills, Peter was lake fishing or tending to his fish tank full of goldfish and bettas.

Sonia was born on April 22nd, 1971. She received her Master's in cosmetology. When she wasn't working at her hair salon and caring for her clients, Sonia was out gardening. She always had an incredible green thumb and grew a variety of fruit trees in the yard.

Though they differed in interests, Peter and Sonia shared ambitious and hardworking qualities in regards to their fields of work, but also as parents to their son Phillip and their daughter Sara.
