

Phyllis Mooney Parker

June 20, 1945 - August 28, 2025

It is with great sadness that we announce the passing of Phyllis Nan Parker, who passed away peacefully on Thursday August 28th at the age of 80 after a courageous battle with cancer. Phyllis was born on June 20, 1945 in Sugar Hill and graduated from Buford High School in 1963. She worked as a receptionist and bookkeeper at Mary Kay Inc. for 42 years. Her favorite Bible verse was John 3:16- For God so loved the world, that he gave His only begotten Son, that whosoever believes in Him shall not perish but have everlasting life. Phyllis is preceded in death by her parents Richard Mooney and Jeanette Mooney Bryant of Buford, Ga. Phyllis was a devoted wife to Bobby Parker for 46 years. She left a great legacy as a dedicated and loving mother to Jamey Mooney (Gary) and Matthew Parker (Elisha).

As Matt says “She was the best mother anyone can ask for and she loved us with all her heart”

She was also a devoted step-mother to Kim Sailors (Stacy), Lisa Smallwood (Donald), and Tracy Roberts (Ric).

She had 15 grandchildren and 18 great-grandchildren. Phyllis was a loving sister to Connie Mooney Parker. She also had a sister in-law that she loved as her own Kerri Lawson (Lee). She would always say “Kerri is more like a daughter to me than a sister in law.” Phyllis also had a best friend who meant the world to her Brenda King

who actually married her cousin Wayne King. She had many wonderful family

and friends that will have so many wonderful memories of Phyllis.

Phyllis was a woman whose spirit touched so many lives. Her incredible strength, her infectious spirit, and her deep love for her family will always be remembered in our hearts. She always said "Without The Lord, I wouldn't have the strength to get through anything and I've been so blessed." No matter what battle Phyllis faced in her life, she never complained. We will always have her favorite recipes to remember her by because she loved being in her kitchen cooking and baking. Her favorite cookbooks were Paula Deen and Brenda Gantt but Phyllis always made everything with Love. She is now resting with The Lord and has a brand new body. She will be missed so very much but we will all keep her in our hearts forever

Visitation with the family will be Saturday August 30th at Flanigan's Funeral Home in Buford, Georgia from 4:00-8:00pm. Visitation will also be held before Funeral on Sunday starting at 12:30.

Funeral Service will be held on Sunday August 31st at 2:30pm at Flanigan's Funeral Home with speakers: Steve King, Trey Lawson, Elisha Parker and Stacy Sailors To each and every person who helped in any way our whole family wants to say Thank you! We couldn't have did it without you. And most of all Thank you especially for each and every person. Prayers they were definitely felt.

“ I just found out that Ms. Phyllis has passed. I work at her oncology office and I adored her! She was so strong, so sweet, and was such a blessing to me. We loved to see her each and every time and will miss her so very much. Your wife, mom, mother-in-law, sister, cousin and friend was a true gift to this world and I will never forget her precious heart. She was absolutely one of our favorites and will hold a special place in my heart for years to come. May Jesus comfort you and remind you that as hard as this is, His plans are always greater - His love is stronger - and He is holding onto our friend now - fully alive in body and spirit. Praise God! Love you so much Ms. Phyllis! ~ Jennifer

DM

“ *Phyllis came to work at Mary Kay about 9 months after me and we immediately became friends. My Dad was a preacher and Phyllis had heard him at Roanoke so we had several preacher friends in common. Phyllis lit up the room with her smile and I loved our friendship! I left Mary Kay and we lost contact until about 5 years ago and she found me on FB! God blessed me and allowed me to visit her 3 times over the last month! I went to pray with her and encourage her...I left being the one blessed and encouraged!! May God surround her family with His peace in these sad days!!*

“ *Too many to name just one- but she will always be loved and cherished. Thankful for the years God gave us. The kindest soul and best bonus mama a girl could hope for. Always a blessing. See ya again when everything will be perfect. Love you all always! I hate cancer- but you fought a good fight and through it all- still put others above yourself and you needs. Always a blessing!*
