“ *Carolyn,*

*Gene was my good friend and we shared many memories especially the pool hall days and the many lunches. And let's not forget the ride to the dog tracks! Gene always put a smile on my face. My family and I miss him dearly.*

“ *Carolyn, Gene was always special to me. He helped me out when I was down and I often think of him. I truly regret not staying in touch. I have fond memories of our Christmas get togethers at Mildreds and parties at the pool hall. He always had great stories of his adventures in Vegas. I will remember him always and miss his humor and joy for life. Charlie Peebles*

“ We're so sorry for your loss. We had lunch together and talked and laughed about lots of things. I'm sure Gene is entertaining everyone now as he did us. We always looked for you all in church to waive hi; and see his anxious smile to tell us the latest news. We'll miss that. The Hagers
