“ *Deepest condolences to the Farrell family. The Downs/Farrell connection goes back to the early 60's when they moved to Feldon Street. Our fathers were hunting buddies and our families enjoyed many cookouts together. Mrs. Farrell made the best Chicken Parmesan that I ever ate. You couldn't help to have a smile on your face when you hung around with Ralph. He was an upbeat guy to say the least. I saw Ralph and his dad up through the 80's as I did side jobs for both of them. I was sorry when he moved to Georgia. He will be deeply missed. The Downs family sends our thoughts and prayers.*

RIP my old friend. Kenny Downs

“ I was blessed to meet Ralph when I was 8 years old. He fit perfectly into our family even before he and my sister married. He was a gentle, kind and helpful man. Not too many men in their mid-twenties would take their kid sister-in-law to the movies or let her spend weekends at his and my sister's first apartment. I am grateful to have so many memories like that of Ralph and Cindy. I know he was a wonderful father and grandfather and my prayers and sympathy are with you all. All my love, Kim

“ *Ralph was my best friend for over twenty years. Ralph was a family
man who loved his wife Cindy and who was a proud father to his
two children Christine and Vince. He had a special bond with his
granddaughter Blakely. I will miss my brother very much. We send
our prayers to the family and may GOD continue to bless them, and
wrap his arms around them during these very difficult times. We
love all you very much.*
