“ Cathy, our hearts go out to you, Jonathan, Rachel, the children, David, Linda, Rolland and all the family on Randal's side that we didn't have the priviledge to meet. Randal was a wonderful man and such a wonderful, father and grandfather. He walked with the Lord daily and it showed everytime we had the opportunity to meet him. Even on the job when I worked with him years ago at Scientific Atlanta for all those years, you always knew he walked very close with the Lord. What a wonderful testimony to leave behind. Just by seeing how wonderfully he took care of you and your children is a testimony in itself, but letting the Lord walk with him daily was the real testimony for the Lord. We are praying for you today and will be keeping you in our prayers in the weeks and months to come. We love you all...Jerry and Faye Emerson

“ For the little time that I got to know Brother Randall, I had come to appreciate his sincere heart and generous soul. My condolences go out to his wife and family. Randall was close to the age of my older siblings and was only 5 years older than myself. He leaves behind a beautiful legacy of children in ministry. That's my prayer for mine, that my kids will give their heart to the Lord and surrender to His Divine Will. May all who knew Brother Randall or had ever had dealings with him in his short life feel blessed that his life meant so much. We also want to thank the Lord for the man and woman (Eskine and Idean Flanigan) who, on or around the first week of October 1950, shared their love and enabled Almighty God to begin to create little Randall with all he was to have to be born nine months later, making Erskine and Idean to be his father and mother. Little would Erskine and Idean ever realize, probably, that through their training and Randall's eventual marriage to Kathy Jackson Brother Randall would impact millions, if not billions, of people around the world for all eternity. We're going to celebrate his journey Home where all tears are wiped away and there's joy unspeakable-full of glory! We love you brother!
