“ *I haven't seen Randy in many years but 35 years ago Randy gave me a place to stay when I didn't have any place. It was like he knew I needed someone to talk to when I was trying to find myself. He was someone who knew just what to say to give you the boost you needed to keep living life. I still appreciate what he did for me back then. If the world had more men like Randy it would be a better place to live. He will be sorely missed. My condolences to the family.*
