It's hard to believe you are gone but I know you are having a blast up in Heaven and looking down on us and protecting us everyday. I miss you everyday. I miss the movie dates. I miss annoying you when I would ask you questions during the middle of

“ *You are missed very much. I wouldn't have traded this past month for anything! The amount of time we spent together was priceless. Watching movies, TV shows, laughing, eating popcorn, pot pies and Mike&Ike's together and the Jujubes you left unopened are still here on the shelf for you.*

You are loved very much and I'm so honored to have called you my brother for over 58 years. Thank you for being you and such a great friend!

*Until we see each other again, RIP,

“ God saw you getting tired, a cure was not to be.

So, He put His arms around you and whispered

"Come with Me"

Your heart of GOLD stopped beating. Your bright blue eyes at rest.

Our hearts broke in pieces, the day He took the best.

You will be remembered always! Love you, Roni & George

“ Randy was a great neighbor and treated our son (Jordan's friend) as one of his own. It's a wonder he didn't send us a bill for food! He never had a crossed word to say about anyone and was always a joy to speak to. I have to admit...we were envious of his yard. LOL! He was the Yard Master. He beat us to where we're all headed. Rest in peace Randy, you will be missed!!
