“ *My son and I will miss seeing him around Flowery Branch. He has  
lived two doors down from us since we moved into our home almost  
a decade ago. I've taken him vegetables from my boss' garden as  
well as cooked him a casserole once. He was the sweetest man  
and would smile and wave every time he saw us. Now if you decide  
you want to walk for days and days it will be on streets of gold my  
friend. Rest Easy Randy.*
