“ To the Brown Family,

The Petty Family offer their condolences. Rawleigh Brown better known as "Big Mike" and I had become friends (phone friends). I called "Big Mike" occasionally just to check on him when he was ill or not feeling well. If he missed my call he would always call me back. We would chat for 10 to 20 minutes or so. When he was down, I would lift his spirits with laughter. He was a good listener and I am a big talker and full of laughter. Mike you will surely be missed. Monica and the rest of the family, Stay Strong! God will take care of you!! He has Big Mike in the palm of his hands. I want say good-bye. I'll just say good night my friend.

*Love,
Aunt Gail Petty*

“ To the Brown Family,

Big Mike and I were phone friends. I learn to love and respect him very much. I called him regularly whenever I knew that he was ill or not feeling well. And sometimes he called me. We would laugh and talk 10 or 20 minutes. And when he was down I always lifted him up with cheer and laughter. Rawleigh Brown Jr. "Big Mike" you will truly be missed!!

*Love,
Aunt Gail Petty*
