“ Mr Raymond was my patient for over a year, I'm his RN that would come to see him weekly! He greeted me with a smile and a joke each time I walked thru the door! He also reminded me to close the screen door behind me lol! He was the kind of soul that radiated happiness and I know I'll see him again ❤️

Our Prayers and Condolences to all of those that mourn the passing of Granpa Raymond. Although I never met Grandpa. I have heard about him for years from our grandchildren who spoke fondly of him. I cherish the precious and priceless times they had with their Grandpa. May God comfort all of your hearts.
