“ *Becky and I were close friends for years, and I am deeply saddened to learn of her passing. She had a terrific sense of humor, and was genuinely kind to everyone she met. She's in a better place now, but she will certainly be missed.*

“ *I worked with a lot of interesting funny people in the restaurant business but Becky still managed to stand out! She was very funny and made the mundane surprisingly tolerable. Sincere condolences to her family and friends.*

“ *Sweet, funny, Becky,*

I've thought of you so often over the years. I remember the first time we met. You'd just come back from Japan and we sat together in John Mote's band class. We hit it off straight away and boy did we laugh! You were so smart and had a brilliant sense of humor. The best smile with the pearliest teeth, and your wicked laugh ? Becky, you were a righteous dude. I love you.
