“ Becky was a dear dear friend of mine for 30 years. We met at work in Bothell, Washington. We had so many fun times, playing pool, dancing, and even just having her hang out at the house with me. She then moved to Atlanta to open up the Philips Call Center. She did an amazing job at Philips and was highly respected. She truly created the Call Center. We stayed friends and would visit when we could. The last few years she came and stayed with me and we had a retirement party for her and then her and I spent 3 days together just having fun around Seattle. June 4th I was in Alpharetta and spent the evening with Becky. We had a wonderful dinner and laughed and shared stories all night. I am so glad I had that time. She loved her family. I miss you so much Becky, rest in peace.
