Rennis W. Brown July 13, 1937 – December 27, 2024

Rennis W. Brown, a beloved father, grandfather, great-grandfather, uncle, and friend, passed away peacefully on December 27, 2024, at the age of 87. His life was a testament to love, service, and unwavering generosity.

He is survived by his three children: Laurie Ayn Kezh (Susie), Amy Lynn Brown (Paige), and Christopher William Brown (Christie). Rennis was the proud grandfather of six cherished grandchildren—Daniel (Olivia) Williams, Tyler (Kayla) Williams, Perry Kezh, Andi Kezh, Seth Brown, and Sophie Brown—and the delighted great-grandfather of six adorable great-grandchildren: Noah, Levi, Grace, Mason, Adelyn, and Landon. He also leaves behind many nieces and nephews who held a special place in his heart.

Rennis was widely known as the “Maytag Repair Man,” a title that reflected his extraordinary ability to fix or build anything. After a successful career at Sears and Roebuck, he became the owner of Sugar Hill Sales and Service, where for over two decades, he repaired appliances for countless families in the community.

His kindness knew no bounds; if a neighbor couldn’t afford a repair, Rennis would often offer his services free of charge. His life exemplified selflessness and compassion, making him a beloved figure to all who knew him.

In honor of his legacy of service, we invite everyone to celebrate his life by doing GOOD DEEDS for those who cannot repay you. Rennis lived as a true

servant, embodying the spirit of generosity and care for those in need.

The family is taking time to grieve the profound loss of their parents, who passed within 41 days of one another. A formal celebration of life will not be held at this time.

The family extends their heartfelt gratitude to the remarkable staff at Somerby Senior Living, Southern Grace Hospice, and New Day Private Home Care for their exceptional care and support in recent weeks.
