“ *I remember Wesley all the way back to when we were just kids at Old Field (now Peachtree Road) Baptist Church. He and his sister, Phyllis are two of my oldest friends. I'm just proud to say I knew Wesley and am a better person for it. He was a good man and a true Patriot. May he forever rest in peace.*

“ Words cannot due justice for how I feel about his passing. I know there was tremendous joy in welcoming home to heaven. He was a true servant of God. It was an honor and privilege to have shared just a small part of his life. My heart goes out to Missy, Matt and Beth. I was truly proud and honored that he called me his friend. May God give you strength and peace during this time of sorrow. I loved him like a brother. He will truly be missed. If there is anything I could ever do for any of you don't hesitate to tell me. May the Lord bless you and keep you in his Love

“ I can only imagine the wonder Wesley is experiencing, the crown presented to him for all he achieved on earth and what an honor he is enjoying now. He was a great man and leaves a great legacy.

“ Those of us that had the opportunity to work with Wes were very fortunate to call him a friend, leader and caregiver to all. Many a night I would leave an event with Gwinnett County late and Wes's deep voice on the radio would tell me to have a good night and be safe. He was always there for us! He lent Missy to us many a night at the Historic Courthouse, what pleasure to work with her and the image of her Father with his peaceful caring and friendship.

Rest in peace Wes!

“ So sad to hear of Wes's passing. We had lots of laughs and good times in our unit. Enjoyed our reserve meetings at GA Tech campus. I live in TN now and would love to attend his service but I won't be able to. See you Chief on the other side.

“ *A man of God, a family man, a patriot, a cherished friend, and so much more all describe Wesley. He was loyal and dedicated in every walk of his life, a true entertainer with stories (usually involving his co-hort, Sammy) that ran the gamut of his life from early church through Suwanee Elementary to North Gwinnett, through his Navy career, his leadership with Gwinnett Parks & Rec, and especially his salvation. Although we have lost him here and our hearts are broken, we rejoice to know that Wesley is no longer suffering and has arrived Home safely. I can almost hear the laughter from Heaven and see that wonderful smile on his face!*

Wesley, you touched so many and have left quite a legacy that few could ever hope to attain. You were the best, and I'll never forget our life-long friendship. It will always be cherished.

Thank you for your service, Chief! You were one who never had to demand respect-you commanded it by the way you lived your life and the way you treated others.

We will always love you and miss you, dear friend. You will never be forgotten!

Beth, Missy, Matt, Phyllis & family, we love you and are here for you if you need anything!

“ Beth and family, you are in my heart and in my prayers. Be proud of your husband and father as he had come "a long way".
I would say he had been extremely successful in his life. Beth he told me of how you two met and how life had been for you and it sounded like a beautiful love story. Have no doubts that his love and admiration for you was deeper than can be measured.
Be strong, let go and let God carry the weight of your sorrow. My prayers will continue for you and your family.

“ I'm very sorry for your loss. I didn't really know Mr. Abernathy but it said a lot to me about the type of man he was that despite his illness he took the time to call me to personally thank me for giving Melissa time off work to help him. His phone call touched me deeply. I regret that I will not be able to come by in person due to other obligations, but my thoughts and prayers are with Melissa and the entire family.
