“ *In the way Retha Mae treated her husband, children, grandchildren, and all family members, and especially in the way she treated Jesus and her church, she was a great inspiration to all who follow her in life. I'm proud to call her cousin and strive to be as sweet as she always was. I'm truly sorry I did not get to spend more time with her in this life. Love to those family members who remain and may God bless each of you with His peace.*

“ *Mrs. Chapman is one of the people I remember most fondly from my childhood. She is the epitome of a Christian and she always had a kind word for me and others. Janice and Carol, your mother is with the God she served entire life. You two are such fine people and her legacy lives on through you both. I love you all. Lisa*
