“ I never met Colonel Gaskins, but, I'm grateful that he served in the U.S. Marine Corps. I never got to serve in the armed forces.

“ I remember Tim from our high school days as being a very nice person. I did not know he was retired from the military. So many of our SHS graduates served. Thank you for his service. With deepest sympathies, Charlotte Williams (class of SHS 1972).

Tim was an awesome neighbor. He was always there to give a helping hand when needed. He was gracious and thought of others. Despite his own medical problems he found time to visit me during my illness. I will deeply miss him. Love and prayers to his wonderful family

Susan, Sorry to learn about Tim's passing. I remember Tim from his assignment at MCAS Futenma and then while he was at MCAS Cherry Point, NC. He lived at the BOQ with his wife when he first arrived at Cherry Point. He lived nearby as I was in the same housing. Tim was a such a nice guy, I didn't see him again after leaving the USMC. He went with me on a weekend day off to pick up my new motorcycle in Greenville, NC. It is a nice memory to have of him. Semper Fidelis Tim . Keith Davenport, Hermitage, Tennessee

What a wonderful story of an American Hero. Thank you for sharing and thank you to your family from the grateful widow of USMC Sgt Thurston A Prince, Vietnam Veteran, 2nd Recon (Jan 64-Nov 69). Semper Fi and God Bless! 🇺🇸 🇻🇪 🇺🇸

Truly a great friend and leader. Both of us experienced TBS closer than most; as we shared neighboring living arrangement (ie. rooms)... as his last name came right after mine in roll call... Garcia then Gaskins. We shared many laughs and hardships. I remember him fondly grinning from under his loosely kept helmet chin guard during those muddy uphill "forced marches".

Semper Fi Tim, knowing full well that you now rest in HIM!
