“ *So terribly sorry to hear of Michael's Passing . I was a friend of Michaels when he was a fisherman working out of St Monans Fife , Scotland .He was on the same fishing boat as my father at one time .We used to chum together at times and I always wondered what happened to Mike . Was talking to my cousin who lived in Pittenweem last night who found his obituary on the internet .I only knew he went to America . We used to have lots of talks about our creator God and the wonders of life as young men . He was a good man and I never ever forgot the talks we had .He went like all of us through the trials as a fun loving young man searching before he found peace and truth in our lord Jesus Christ .Deepest Sympathies to Michael's Family !*

“ *Our hearts and prayers are with you on this day. Rev. Newlands was a wonderful man, who was always so friendly and approachable to our family. We truly enjoyed this man and his character. We are saddened by this loss, for his wife and children, and all of those that knew him. Our love is also with his son and our son-in-law Michael Newlands, your father was an amazing and warm man, with a great sense of humor, and he will be missed.*
