“ O rex please don't leave me my hurt is hurting so bad I know you and mom are in heaven dancing together. I know u both r watching over us. This is so not fair. I can not begin to describe how I'm feeling!! Thank you for loving me unconditionally and stepping up and being my dad the past 26 years since my dad passed when I was 11!! And yes we gave y'all hell I'm sure gonna miss sitting and talking about all the bad stuff we did growing up and laughing about it now. I'll never forget when u came to take mom on y'all's first date mom threatened Brandon and I with our lives lol. You were bright red in the face and brought mom some flowers as Brandon and I sat on the couch like we were some perfect well-behaved children lol. How about when u was working at Aarington & Blount Ford and we was living in Timber Ridge and u brought a used car hom and I was driving in the neighborhood on your lap and Brandon screamed or screamed stop or sthing like that and u slammed on the breaks and Brandon went straight towards the windshield Brandon flew to the windshield his head smacked the windshield and the windshield cracked very bad and you brought the car back to work and parked it like nothing happened LOL We still was laughing about this a couple of years ago. Or how about the time that we got caught smoking cigarettes and you made me Candace and Brandon sit there and smoke cigarette back to back, back to back and Candice really was inhaling the cigarettes she was so sick to her stomach, me and Brandon was not really inhaling it LOL. Or when Brandon wanted to go to a friend's house or something like that and you told him if he licked chunks butt lol. I could go on and on and on and on. So many good memories!!! I can't wait to see you and mom again. Now you are up in heaven with mom! Untill then fly high and u know your kids jenny, Candace, Brandon and I got u!!! I love u with all my heart and I'm sure gonna miss u Diddy!!
