

Rhonda Lynn Bailey

July 6, 2016

Rhonda Lynn Bailey, born on September 6th, 1961, and died July 6th, 2016. As her children and friends would say, she was definitely one of a kind. Strong in her convictions, yet tender, loving and kind.

Born in Buford Georgia, she was the daughter of Dottie Gail Bailey and the late Larry Randall Bailey. She was preceded in death by her brothers, David Bailey, Russell Bailey, Michael Bailey, sisters, Kimberly Bailey, and Linda Puckett. She attended North Gwinnett High School, and she was a professional cosmetologist in her younger years.

She was very close to her family who she loved dearly and her little dog, "Gracy". She was an aunt to Lilly, David, and Wyatt Bailey. If asked, friends would say that there was never a dull moment around Rhonda. She wanted to be remembered as fun, spontaneous.

Rhonda loved shopping for others, music, fashion, and her children. Kay, her aunt, was her longtime best friend and confidante. Kay, who along with her entire family, stood by her through her battle with cancer.

We loved Rhonda with all of our hearts, but we hope by acknowledging her battle with cancer within our family, our wish is to bring more awareness to this dreaded disease.

Also surviving are a mother, Dottie Gail Bailey, a daughter Ashley Lynn Pierce, a son, Keelen Russell Bailey, her stepmother, Doris Bailey and stepsister, Lisa and David Hill; step niece, Katie Eberhardt; and aunt, Kay Hosch Pugh; uncles, J.W. Bailey, Reggie Hosch, and Jerry Higgins and numerous cousins.

Funeral services will be held on Friday, July 8, 2016 at 3:30 p.m. in the Chapel of Flanigan Funeral Home, Buford, GA with Rev. Jimmy Dunn and Rev. Charles Pirkle officiating. Interment will be in the family plot at Sugar Hill Cemetery. The family will receive friends at the funeral home on Thursday, July 7, 2016 from 4:00 p.m. to 8:00 p.m. Memorial contributions may be made in memory of Rhonda to Cancer Research. “ *I couldn't believe the newspaper article I saw in the Times about Rhonda. I was shocked and surprised and saddened, especially having seen her at the Dari-Spot a few weeks ago the day I was searching for our dog who had just been hit by a car on Cleveland Highway in front of the Dari-Spot. Rhonda saw me walking through the parking lot and came out to say hello and see how I was doing. She and her family had lived in my house in White County for awhile and I so enjoyed getting to know her and her big heart. We shared horse love and lots more. I am so sorry that I didn't even know she was sick. My heart goes out to her family.*

“ I couldn't believe the article in *The Times* when I saw it about Rhonda. It was shocking and surprising to me as I had no idea that Rhonda was sick. I just saw her a few weeks ago at the Dari-Spot when our dog had been hit by a car on Cleveland Highway and I was walking through their lot to go look for the dog in the woods when Rhonda came out to say hello and see how I was doing. She had such a big heart and I so admired her love for horses. She and her family lived in my house in White County for awhile and I so enjoyed getting to know her. My heart goes out to her family.
