“ *Our thoughts and prayers are with you in this time of sorrow. I will always remember Uncle Dick's smile and quick witted coments. I have so many great memories of the picnic get togethers when you traveled north. He and my Dad are talking construction as we speak.*

“ *Esther, Jeffrey, Patti & Danny - our thoughts and prayers are with all of you right now. Dick was a terrific uncle, and loved all of you truly and deeply; you all were absolutely the center of his life. I will never forget the twinkle in his eye . . . one of the best memories I have was the year we were all at Grandpa & Grandma's for Christmas, and he strategically placed the Dolphins jersey across the tv set. May you know peace in the fact that he is now having a cup of coffee with all of those - too many - who have already left this Earth, and the blessing that you will be reunited with him. With love, Greg, Beatrice & Family*
