“ *To the family, please accept our deepest condolences. The bible assures us that Jehovah God is aware of our pain and he is near to the brokenhearted (Psalm 34:18). It also gives us the promise that there will be a resurrection and that God will bring an end to death once and for all (John 5:28,29; Revelation 21:4). From that point on we will never have to feel the pangs of death again. We pray these words and scriptures are able to bring you some comfort.*
