“ *Dick and Sally were our neighbors for forty years- through all the events of our children and theirs growing up. Dick was always friendly and had a ready smile for everyone. The neighborhood isn't the same without them. Our thoughts are with his family as they celebrate and remember his life.*

“ *Although I've been away from the neighborhood for many decades and have rarely run into Mr. Gilbert during that time, I have a clear memory of him, because he had such a pleasant, sunny disposition and was always friendly whenever we did meet. I was very sorry to hear that he had passed away. The world has lost one of the good guys. To the rest of the Gilbert family - My thoughts and deepest condolences are with you. - Geoff*
