“ *We met Dane in 1984. Instantly knew he was a man we liked. He became our friend as well as our dentist. Always a kind word. Somehow I let him talk me into selling him my wife's 1978 Datsun 280 Z around 1986. She almost killed me for that. We shared several laughs about it. Our prayers are with Wendy and all the family during this time of grief & sorrow.*
