“ *I am not only Richards family member, I am also a friend. Richard and I worked together for the City of Chamblee for 32 years. We enjoyed our time together so much! I can't list all of the good times we had together. You were such a good man, your memories will forever be in my heart. Rest easy Richard, until we meet again.*

“ Uncle Richard, although my heart is truly broken because we will never see you again here, my heart is happy because you have been reunited in Heaven with the love of your life, Aunt Sarah. My heart goes out to your kids because I know how difficult it is to lose a Dad. I pray that God will bring comfort to all of you in the coming days. Go rest high on that mountain. Love you forever!

*My Uncle Richard, what can I say, but he was the best, he is dearly missed, he was always there for me and my family and everyone of us, whether it was taking the girls to the mountains on their trips, or taking us fishing with him all night long , I would not trade anything in this world for, memories with him ,meant so much in my childhood,. As a young boy probably 10 or 12 years old r, he would ask me if I wanted to help him mow lawns , and different types of work, and this was after he worked all day long 8 hours a regular job, he always picked up extra work to make ends meet, I don't know why he chosee me to help him , but I would not trade anything in this world for those memories, I loved him dearly, he is back with his family now, no cancer no pain I love you Uncle Richard.*
